Would You Like Your Horse To Be A Horsey Model?

Our in-house artist, Audrey Grider (aka Dottie's mom), would love to have you send her fun and interesting photos that show your horse's head and neck for her series of horse portraits. Please understand that if you send her photos, you are giving Audrey full permission to use them for her paintings.

Audrey also accepts commissions for original paintings. She donates a portion of the proceeds from the sale of her artwork to organizations that rescue horses from the auction slaughter pipeline, and those that protect endangered wild African elephants.
